This is a book for anyone who wants to know what sociology is and what sociologists do. In a subject which has changed dramatically over the last twenty years, Sociology: The Basics offers the most up-to-date guide to the major topics and areas of debate. It covers among other things: sociology and society: laws, morality and science: social relations: power and communication: society in the future becoming a sociologist. Clearly written, concise and comprehensive, Sociology: The Basics is an essential introductory handbook.
